

Through the Ear to the Heart

Sing the Music of St. Hildegard of Bingen

A contemplative practice in the medieval oral tradition
Open to everyone who enjoys singing

St. Hildegard of Bingen (1098-1179) was a Benedictine Abbess, visionary, healer, naturalist, poet, playwright, and counselor. She was also a brilliant composer. Her songs are beautiful, inspiring, and encoded with mystical wisdom and insight. Experience Hildegard's music the way she shared it with the women and men who sang with her, in a restful, nourishing process of listening and singing together 'through the ear to the heart.'
